## Dental Network Information

To find a provider, visit [ameritas.com](http://ameritas.com) and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. When prompted to select your network, choose the Ameritas Classic Network found on your ID Card or contact Customer Connections at 800-487-5553.

## Dental Rewards®

This dental plan includes a valuable feature that allows plan members to carry over part of their unused annual maximum. A member must submit at least one claim during the benefit year while staying at or under the plan-specific threshold amount. Earns an extra reward, called the PPO Bonus, by seeing a Network Provider. Employees and their covered dependents may accumulate rewards up to the stated maximum carry-over amount, then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards will be lost; but he or she can begin earning rewards again the very next year.

Benefit Threshold	\$750	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Dental Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$150	Additional bonus is earned if the member sees a network provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Dental Rewards and PPO Bonus

## Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

## Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

## Dental Cost Estimator

Ever wonder what a dental procedure usually costs? The answer can be found using the Ameritas group division's Dental Cost Estimator tool located in our Secure Member Account portal.

Members can search by ZIP Code for a specific dental procedure and see fee range estimates for out-of-network general dentists in that area. Of course, we always suggest that members partner with their dentists, so they know what's involved in any recommended treatment plan.

The estimator tool is powered by Go2Dental and uses FAIR Health data that is updated annually. Please note, cost estimates do not reflect discounted rates available through provider networks, and the estimator does not include orthodontic estimates at this time.

In addition, when members are in their Secure Member Account, they can:

- Go paperless with electronic Explanation of Benefits statements and reduce the clutter in their mailboxes
- View their certificate of insurance and specific plan benefits information
- Access value-added extras like the Rx discount ID card

This document is a highlight of plan benefits provided by Ameritas Life Insurance Corp. as selected by your employer. It is not a certificate of insurance and does not include exclusions and limitations. For exclusions and limitations, or a complete list of covered procedures, contact your benefits administrator.
